The snooker club main committee may re-categorise players from time to time depending on performance and ability.

If a player wins the annual B or C competition, they will be upgraded if the snooker club main committee deems appropriate.

Entry to competitions is available to any Sawtell RSL member that is a financial member of the Sawtell RSL Snooker club, and who has played on ten Tuesday and/or Thursday evening competitions in the 12 months prior to the date of the draw.

No handicap applies for the A, B and C competitions.
If your name is not on the list, contact Bernie Couzins for inclusion.

Handicap calculation example:
Player A has a handicap of 20 , Player B has a handicap of 45.
The difference is 25. Player A starts on zero and Player B starts on 25.

These handicaps shall also apply when doubles are played.
