Noel Thomas	50	38

7

The snooker club main committee may re-categorise players from time to time depending on performance and ability.

If a player wins the annual B or C competition, they will be upgraded if the snooker club main committee deems appropriate.

Entry to competitions is available to any Sawtell RSL member that is a financial member of the Sawtell RSL Snooker club, and who has played on six Tuesday and/or Thursday evening competitions in the 12 months prior to the date of the draw.

No handicap applies for the A, B and C competitions.  
If your name is not on the list, contact Bernie Couzens for inclusion.

**Handicap calculation example:**  
Player A has a handicap of 20, Player B has a handicap of 45.  
The difference is 25. Player A starts on zero and Player B starts on 25.

**These handicaps shall also apply when doubles are played.**
